Divorce and Beyond sessions are “closed” sessions and include only those members who have committed to the entire 10-week program. Participants agree to the policy of strict confidentiality within the sessions.

Divorce and Beyond weekly sessions consist of an opportunity for prayer, a reading, discussion and a summary of the session. Independent reading and exercises from the book provided are recommended in order to prepare for each session.

Divorce and Beyond is for those who are working to gain a perspective on their divorce, cope with the stresses and anxieties of divorce, understand their own emotions and learn ways to cope and to constructively move on in life.
