

What you need to know when attending St. Elizabeth Ann Seton Parish in person

We're so glad you'll be joining us in person!

Throughout the pandemic, we have strived to keep the members of our parish safe when they come through our doors. In order for us to do that, we ask that everyone:

- Wear a mask over the mouth AND nose throughout the service.
- Sit 6 feet away from anyone that is not in your immediate household.

Reservations are not required in order to attend Mass in person and with the increase in vaccinations and decrease in positivity rates, we are no longer taking temperatures at the door.

If you are still unsure about joining us in person, please join us online through our [livestreamed Masses](#).

If you have any questions or concerns, please contact us at office@seasp.org and we will be happy to address them.

Sincerely,
The staff at St. Elizabeth Ann Seton Parish

1350 Lyndhurst Dr.
Hiawatha, Iowa 52233
